

GRAND JURY RECALLED IN INTERESTS OF GOOD ROADS

To Take Up Matter of Brick-ing Monongahela-Donora Highway

COMMISSIONERS PETITION

Judge Taylor Thinks It Advisable to Get Improved Roads in County

Owing to the demand for good roads in the county the grand jury for the May term, which was to have finished its work this afternoon, will be recalled on Monday, June 7, at 1 o'clock to consider the proposed amendment to a former action of a grand jury relative to the improving of two roads of the county with brick, instead of macadam, as was originally intended. The matter came before the court yesterday in the form of two petitions presented by the commissioners, upon petition of certain citizens interested in the two roads.

It had been suggested that the court should not be recalled until the August term, which would really mean that the roads would not be improved until the next year. Judge Taylor, to whom the matter was presented, was of the opinion that the good roads question was of such vital importance that it should be acted upon almost immediately.

The roads in question are the Monongahela-Donora road and the Canonsburg-Houston road. The improvement of these by macadamizing, it is estimated, would cost per mile, \$14,450 and the brick road \$19,174.

Both the roads mentioned are important highways, and the citizens hope for much in the way of improvements. The Canonsburg-Houston road would cost, it is estimated, \$109,600.

IN HONOR OF PROF. WRIGHT

Is Presented With a Beautiful Silk Umbrella by Choir of Baptist Church.

Dr. and Mrs. C. C. Wright entertained at their home on McKean avenue last evening the choir of the Baptist church, in honor of Prof. W. D. Wright, the director, who soon leaves for Kansas where he and his family will locate.

The evening was most pleasantly spent with various social diversions and a delightful luncheon was served by the hostess.

Just before the hour of the departure of the guests, Prof. Wright was presented with a handsome silk umbrella, as a token of the regard in which he was held. Dr. C. C. Wright made the presentation speech, which was responded to feelingly by the recipient.

MINSTRELS ENJOYED

Home Talent Affair at Turner Hall Exceptionally Fine.

REPEATED AGAIN TONIGHT

Very auspicious was the opening of the Lady Minstrels of the L. O. T. M. at Turner Hall last night which under direction of Prof. and Mrs. F. A. McCloskey have been rehearsing for the past two weeks. The opening performance made a decided hit, and indications are that the second performance tonight will make standing room at a premium.

Those who assert that young ladies cannot officiate as "end men," will change their opinions after hearing Miss Harriet Jolliffe and Miss Isabella Wilson. With a coat of burnt cork and costumes in keeping, these young ladies were not lacking in ability to entertain. Says Miss Wilson: "Say, did you ever get a pearl from an oyster?" "No," replies Miss Jolliffe, "but I once got a dime from a lobster." Perhaps the greatest hit in the olio was "Poker Love," by Earl Nicholson and Helen Springer. These clever artists had to respond to five encores. "I've Said My Last Fare."

SCHOOL BOARD MEETING

Little Except the Routine Business Taken at a Called Meeting Last Night.

The school board held a short meeting last night to take up the regular monthly business. They talked over the plans for a picnic for the school children, and will make a report of what they have done at a citizens meeting on Monday evening in the Merchant's Association rooms.

A meeting will be called on Tuesday evening at which time the election of a superintendent will be taken up. Prof. Wright made an oral report of the schools during the past month.

FAIRMONT, ANOTHER

Shoves Charleroi Down Into The Five Hundred District.

CAPTURE IT IN SIXTH

Charleroi got into the 500 class yesterday—that is the baseball team did—but not as society knows it. In fact this five hundred was a non-desirable class into which the Cherubs were so unceremoniously shoved. And all was done by those pesky Fairmont fellows.

Yesterday, on the Hunters' lot, at the second appearance of the Cherub aggregation, they fought it out and the followers of Hunt only won by a strenuous effort. Gray and Prentos were the opposing twirlers and both pitched nicely.

Fairmont drew first blood, in the third inning when they got 2. Charleroi started in to even things in their half but got balked before they could gain more than one. However, in their half of the fifth the Cherubs, by some nice stick work and base running, come back and chased one over the pan. In the following inning Fairmont gained two, and thus won the game, Charleroi securing only one. For Fairmont Durham hit for two bases and scored on King's single, the latter tallying on Carmony's safety. The Cherubs tried hard to score in all the remaining innings, but could get nothing. W. Humphries relieved Gray in the seventh and Hunt took the place of Prentos.

Fairmont secured one score in the seventh and 2 in the eighth. The score:

MAN KILLED IN ARNOLD MINES

William Davis Caught in Fall of Slate and Life is Crushed Out.

William Davis, age 19 years, was killed in a fall of slate in the Arnold No. 2 mines of the Pittsburgh Coal company at Arnold City this morning at 9 o'clock. The body was taken to his home and the deputy coroner notified. Correll and Crowley, undertakers, will have charge of the funeral arrangements. The young man is survived by his mother, and four brothers. He was immensely popular and the miners are sorry to hear of the tragedy.

DRAWS OUT OF THE MEET

Monongahela People Say They Cannot Prepare For May 15.

TWO TOWNS INTERESTED

Advertising matter is being distributed today for the Valley High School field meet to be held at Cook's track near Belle Vernon on May 15. In this Monessen and Charleroi will take part, Monongahela having withdrawn.

Prof. Dean of Monongahela, who was in charge of the arrangements in behalf of that school, was communicated with last night after the window cards had been printed, and rendered his final decision, stating that if the meet was to be held on the 15th the track team of Monongahela could not be in condition. This was offered despite the fact that the date, 14th, was selected several weeks ago, and there has been plenty of time to get ready.

The withdrawal of Monongahela will not in the least interfere with the preparations for the meet, and it will be held regardless of them. The Charleroi team was out at the track yesterday and did good work. It is thought that they will make a good showing this year and give Monessen a good run for first honors.

HARMONY EXISTS NOW IN FAYETTE

Senator Crow Assured of Re-Election by Keeping Out of Judgeship Fight.

According to Chester D. Potter, political editor of the Pittsburgh Dispatch, a political truce has been declared between the warring Republican factions of Fayette county, and that during the next two years, at least, there will be one conflict such as characterized the last judicial fight, which was both costly and demoralizing. "By the terms of the treaty of peace Judge R. E. Umbel, Democrat, will be permitted to succeed himself, and Senator Crow will have no opposition when he comes up for re-election to the State Senate next year.

Before the harmony deal was effected a big fight was shaping up. Senator Crow wanted former Judge Reppert, Republican, to succeed Judge Umbel, Democrat, whose successor will be elected in November. J. V. Thompson was also classified as a supporter of Reppert. Congressman Cooper and Judge J. Q. Van Swearingen, who by defeating Reppert for the nomination last year, became his successor on the bench, were, it is claimed, interested in the re-election of Judge Umbel.

Senator Crow, who has been elected president pro tem of the Senate of 1911 must be re-elected next year. The Cooper faction it is said, served notice on Crow that they would fight him unless he dropped Reppert and backed Umbel.

Republican State leaders, in order to relieve Senator Crow of a fight tendered him the nomination for Auditor General. He took the matter under advisement. Mean time some one "higher up" tried to harmonize the factions. The effort was successful.

Senator Crow has notified his friends that he will not accept the State position, being assured he will not be opposed for re-election next year. Judge Umbel also will succeed himself without having more than perfunctory opposition.

Former Judge Reppert will not be a candidate for obvious reasons. And peace again reigns in "Old Fiat."

The "Sunny South" Showboat is at the Second street landing tonight, and will give an exhibition. This company is well known here, and will no doubt draw a large crowd.

Stewart McKean left this afternoon for Vandergrift, where he will visit friends.

George Barnett spent last evening in Pittsburgh and Homestead with relatives and friends.

MOTHERS' DAY TOMORROW

Charleroi Churches and People to Observe the Holiday.

CARNATION THE FLOWER

Wear a white carnation tomorrow in honor of "The Best Mother on Earth"—your own. Last year, Christ Lutheran Church was the first to recognize and observe the day, and accordingly will do so tomorrow. The object is to brighten the lives of mothers and to make them more honored, loved and protected by their children. The white carnation is the "mother flower" because it may be thought to typify some of the virtues of motherhood. Its whiteness stands for purity; its lasting qualities, faithfulness; its form, beauty; its fragrance, love; its wide field of growth, charity. If separated from your mother, write her a "love letter." If she be not living, bless the life of some other good mother, in memory of her. Tomorrow should be the Carnation day in Charleroi, when every person will be seen wearing one for "My Mother."

MUST SETTLE AT ONCE

Six Arrested and Will be Given A Hearing This Evening.

Contentions over a checkweighman at the Black Diamond mines culminated in the arrest this morning of the above named official, John Snowball, and six others, all foreigners. They will be given hearing tonight before Alderman Day at Monongahela. It is said that they tried to keep two miners from entering the pit yesterday morning.

At the last election Snowball was chosen to the position by a very small majority. It is stated conditions have become such that the mine owners threaten that unless affairs are settled at once in some manner, they will close down the mines.

Snowball will remain where he is, it is stated, until something is done. Yesterday morning he is charged with preventing John Frederick and Morris Lidele from going to work and it is this that caused the charge to be brought against him.

Deputy Sheriff Bert Lutton of Washington was in Charleroi a short time on business this morning.

Mothers' Day.

Once again the Mail calls attention to an anniversary day, which though not yet generally observed, is nevertheless fraught with the deepest of sentiment and reverence. This is Mother's Day, for the observance of which the second Sunday in May has been set apart. This date is tomorrow, and the symbol of its observance is the wearing of a white carnation, or other white flower.
The observance of this day is purely a matter of sentiment, but it is a beautiful one, and can be made the occasion of much quiet happiness. Those who have wandered away from the home fireside should remember their mothers by some form or token. A letter, a message, a box of flowers, or better still, a visit when this is possible, will go a long way toward making brighter the declining years of the one "back home" whose life is now chiefly lived in the past. Those who observe the day in deed as well as in spirit will have no regrets later on.

Political Exigencies.

The reports of a harmony deal in "Old Fiat" between the warring Republican factions will bring about a most desirable condition of affairs if it materializes as planned. This is to the effect that Judge Umbel will not be fought for a re-election this year. Judge Umbel is a Democrat in politics, and although a jurist of high standing, plans were on foot to defeat his re-election. Now it is stated an agreement has been reached among the politicians to withdraw this opposition in the interests of good public policy as well as the exigencies of politics.

While the recognition of good public policy is a trifle tardy on the part of "Old Fiat," it is none the less commendable. The judiciary, above all public departments, should be kept clear of partisan politics. This is becoming generally recognized, and when the bench is as acceptably filled as it has been in the past, of Judge

Umbel, there is no reason for making a change. There is no question but what political exigencies prompted this deal rather than interest in the public service, but its effect will be none the less beneficial. Present experiences in Fayette show that it may be dangerous to the politicians to involve the county in another judicial fight.

Electric Sparks

What's to become of the automobile business if the people have to mortgage their homes to buy bread?

What's the use of all this tariff chatter about stockings being higher? As they are now you can't see the tops of 'em.

Commenting on the graft sentence, a Pittsburg paper arises to remark: "The way of the transgressor leads to the same old destination," doubtless meaning the Supreme Court.

A short time ago they found the lockup in bad sanitary condition, and now they have discovered that there is need of a separate compartment for the women and children. My! those fellows have Christopher Columbus beat a mile for learning new things, don't they?

The field meet matters are in an unsettled condition at that, although Monongahela had kindly consented to drop out. For instance, Monessen might get mad, and quit.

And they say we are going to have another Marathon Race. With that, the High School field meet, Decoration Day, to say nothing of half a dozen or more other attractions, and the ball games, Charleroi will come pretty nearly eclipsing any record that ever was made here for May.

California.

Tomorrow will be observed by the local Presbyterian church as Mother's Day. Special services have been arranged in the morning. In the evening the pastor will observe the same date as Labor Day, and will preach a sermon appropriate for the occasion. A children's choir will sing at both services.

A meeting has been called for next Monday evening at C. H. Drum's office for the purpose of organizing a baseball club. Jas. W. Edwards is heading the movement.
Byron W. King, president of King's School of Oratory in Pittsburg will give one of his famous entertainments in the Christian church Monday evening, May 17.

The young ladies of the Coal Centre Presbyterian church will give "The Spinners' Return" in Odd Fellows' hall May 15. This is a sequel to the "The Spinners' Convention" given by the same company some time ago.

The school board of East Pike Run township has practically decided to erect a new school building to take the place of the Republican school house which is too small for the requirements. Two sites have been optioned in the borough.

Thomas H. Warrensford of Charleroi, will leave on Monday for Lancaster, where he will represent King Christian Commandery No. 373, Knights of Malta of Belle Vernon at the annual convention of the Grand Commandery next week.

The venerable Dr. J. S. VanVoorhis is 86 years old today. As a good will offering the American Bible Society has presented him with a very finely bound copy of the Bible.

To the sick—the suffering—to every man, woman and child—an organic disease—local trouble or broken general health—Dr. Kido's offer of free treatment is given in the absolute faith and sincere belief that they will stop disease, cure it and lift you up again to health and vigor. There is no reason why you should not get well if you will only bring your case to me. I want the Doubters
I want to give them the proof—the evidence and the glory of new life in their own bodies—and I want to pay the cost of this proof—all of it—to the very last cent—myself.
I have put my life into this work—I hold the record of thousands of cures—of "come better" but thousands of desperate sufferers, hearty and strong and big and well; and their letters are in my hands to prove every word I say. Rheumatism, kidney trouble, all diseases of the stomach, liver and bowels, catarrh, diseases of the bladder and prostate gland, nervousness, all female troubles, weak lungs, asthma, bronchitis and chronic coughs, all skin diseases, scrofula, impure blood, partial paralysis, piles, heart disease, lumbago, anaemia, obesity, gout, general debility are cured to remain and continue cured.
No matter how you are, no matter what your disease, I will have the remedy sent to you and given into your own hands free, paid for by me and delivered at my own cost.

These Remedies Will Cure
They have cured thousands of cases—nearly every disease—and they do cure and there is no reason why they should not cure you—make you well—and bring you back to health and the joy of living. Will you let me do this for you? Will you let me prove it—brother and sister sufferers? Are you willing to trust a master physician who not only makes these cures but publishes them and sends the test and proof of his remedies without a penny of cost to any one except himself?
Send your name, your Post Office address and a description of your condition, and I will do my utmost to satisfy every doubt you have or can have that these remedies will save your life and make it all that nature meant to make it. Let me make you well. Give me your name and tell me how you feel, and the proof I send you—cures, that I say cure. No bills of any kind—no papers—nothing but my absolute good will and good faith. DR. JAMES W. KIDD, A-36 Kidd Building, Port Wayne, Ind.
NOTE—Dr. Kidd personally Dr. Kidd and know that his methods and his offer are exactly as represented in every respect. Our readers should take advantage of Dr. Kidd's generous offer.

FOR RECORDER

JOHN H. MOFFITT
CHARLEROI, PA.

I am announcing my candidacy for the position of County Recorder, I do so by stating that I have never been favored, either with an elective or an appointed position in this county, and I have never given support, nor encouragement in any campaign to any other than candidates of the Republican Party, from whose hosts I am now seeking the honorable position above named. I have long been a resident of the Monongahela Valley, and for more than one hundred and twenty years my ancestors have been taxpayers and residents of that section of the county.

While no new issues or questions are likely to be advanced in the coming campaign other than fitness and capability of the applicants, I wish to say that I stand as I have always done, for the broad principles of Republicanism, and will always be ready to champion every policy of reform involving a higher standard of politics.

On one or two occasions I have permitted my name to be withdrawn from political contests for the sake of the party harmony, but after being active in aiding others for almost a score of years in reaching the goal of their ambitions, I am now presenting myself for the first time as a candidate for the office of County Recorder, for which primaries will be held June 5th, 1909.

Second Week of My Great Discount Sale of High Grade Pianos

If my special sale of pianos keeps up throughout the entire month, as well as it started off, then the object of this sale will have been more than accomplished, which is, to sell my large stock down to a minimum, to avoid carrying a large stock over the summer months.

The people have responded quickly to my announcements of last week for this season. They realize that this is not a sale of a lot of worthless instruments, brought here with the purpose of making a "big hurrah" sale. They realize that I am no stranger among them—here today and gone tomorrow when I have gotten their money. The best pianos that money can buy are included in this sale.

Several Fine Mathusheks are Included

And if there is a piano that will give more years of downright service; if there is a piano that will stay in tune longer; if there is a piano that will cost less for repairs, I do not know of it and it is not known to piano men generally.

To reduce my stock, or throughout the entire month of May, I will sell these unexcelled instruments at One Hundred Dollars less than their regular price and actual worth.

LITTLE GIRL

DIES FROM BURNS

Webster Child Succumbs to Injuries at the Monessen General Hospital.

From the result of burns received while playing with fire at Webster Thursday, Adda Arigoni, aged 2 years, daughter of Oresta Arigoni, died at the Monessen General Hospital yesterday. The funeral was held this morning. The interment was in the Calvary cemetery, Charleroi.

Other girls were playing near when Adda's dress caught fire, but they were frightened and ran. The mother attracted by the child's screams came too late. The little girl was taken to the hospital, but there was no chance for recovery.

(Continued from First Page) well," a vaudeville turn by Michener and Richards, was also exceedingly clever.

The "Scotch Lassie Dance," by eight girls in Highland costume, was a very pretty and gracefully executed number. "Kiss, Kiss, Kiss," George Cohn's latest song, presented by Michener and Richards, was another fature that captivated the audience. This team was assisted by the "Pinks of Perfection," ten young ladies in natty pink costumes. "Fame," by Master Nicholson, assisted by the "Doraofira Quartet," also made a ten strike.

Great credit is due Prof. F. A. McCloskey and his talented wife for the careful training and direction of the performers. Prof. McCloskey is an old time minstrel man, having been a member of the celebrated Carnecross company at Philadelphia, and later with Barlow, Wilson, Primrose and West. An accident cut short his stage career, and since that time he has achieved eminent success as a director of entertainments. The L. O. T. M. is also to be congratulated on the splendid success of their entertainment, as well as the members of the company for their proficiency.

As previously stated, the entertainment is repeated in Turner Hall tonight, and all who invest in a ticket will get more than value received.

GRAND JURY RECALLED IN INTERESTS OF GOOD ROADS

To Take Up Matter of Brick-ing Monongahela-Donora Highway.

COMMISSIONERS PETITION

Judge Taylor Thinks It Advisable to Get Improved Roads in County

Owing to the demand for good roads in the county the grand jury for the May term, which was to have finished its work this afternoon, will be recalled on Monday, June 7, at 1 o'clock to consider the proposed amendment to a former action of a grand jury relative to the improving of two roads of the county with brick, instead of macadam, as was originally intended. The matter came before the court yesterday in the form of two petitions presented by the commissioners, upon petition of certain citizens interested in the two roads.

It had been suggested that the court at the matter until the August term, which would really mean that the roads would not be improved until Judge Taylor, to whom the matter was presented, was of the opinion that the good roads question was of such vital importance that it required almost immediate action.

The roads in question are the Monongahela-Donora road and the Canonsburg-Houston road. The improvement of these by macadamizing, it is estimated, would cost \$19,174. A short time ago a delegation of citizens of the two former towns met at Washington where they met the commissioners and laid their case before them, asking that the road be paved with brick, arguing that in the long run this would be the cheaper and presenting figures to prove it. The Monongahela-Donora road is two miles and 937 feet. The macadam road, it is estimated, would cost per mile, \$14,450 and the brick road \$19,174.

Both the roads mentioned are important highways, and the citizens hope for much in the way of improvements. The Canonsburg-Houston road would cost, it is estimated, \$109,604.

Home Talent Affair at Turner Hall Exceptionally Fine.

REPEATED AGAIN TONIGHT

Very auspicious was the opening of the Lady Minstrels of the L. O. T. M. at Turner Hall last night which under direction of Prof. and Mrs. F. A. McCloskey have been rehearsing for the past two weeks. The opening performance made a decided hit, and indications are that the second performance tonight will make standing room at a premium.

In the first place the performance was a decided novelty, from the fact that a regulation black cork minstrel show—bones, tambos, interlocutor and all was presented by young ladies. From the opening to the conclusion of the most excellent and novel olio there was not a hitch. It was superbly costumed and mounted, and nothing was lacking for a first-class entertainment.

Those who assert that young ladies cannot officiate as "end men," will change their opinions after hearing Miss Harriet Jolliffe and Miss Isabella Wilson. With a coat of burnt cork and costumes in keeping, these young ladies were not lacking in ability to entertain. Says Miss Wilson: "Say, did you ever get a pearl from an oyster?" "No," replies Miss Jolliffe, "but I once got a dime from a lobster." Perhaps the greatest hit in the olio was "Poker Love," by Earl Nicholson and Helen Springer. These clever artists had to respond to five encores. "I've Said My Last Fare-

The school board held a short meeting last night to take up the regular monthly business. They talked over the plans for a picnic for the school children, and will make a report of what they have done at a citizens meeting on Monday evening in the Merchant's Association rooms.

A meeting will be called on Tuesday evening at which time the election of a superintendent will be taken up. Prof. Wright made an oral report of the schools during the past month.

FAIRMONT, ANOTHER

Shoves Charleroi Down Into The Five Hundred District.

CAPTURE IT IN SIXTH

Charleroi got into the 500 class yesterday—that is the baseball team did—but not as society knows it. In fact this five hundred was a non-desirable class into which the Cherubs were so unceremoniously shoved. And all was done by those pesky Fairmont fellows.

Yesterday, on the Hunters' lot, at the second appearance of the Cherub aggregation, they fought it out and the followers of Hunt only won by a strenuous effort. Gray and Prentos were the opposing twirlers and both pitched nicely.

Fairmont drew first blood in the third inning when they got 2. Charleroi started in to even things in their half but got balked before they could gain more than one. However, in their half of the fifth the Cherubs by some nice stick work and base running, come back and chased one over the pan. In the following inning Fairmont gained two, and thus won the game, Charleroi securing only one. For Fairmont Durham hit for two bases and scored on King's single, the latter tallying on Carmony's safety. The Cherubs tried hard to score in all the remaining innings, but could get nothing. W. Humphries relieved Gray in the seventh and Hunt took the place of Prentos.

Fairmont secured one score in the seventh and 2 in the eighth. The score:

MAN KILLED IN ARNOLD MINES

William Davis Caught in Fall of Slate and Life is Crushed Out.

William Davis, age 19 years, was killed in a fall of slate in the Arnold No. 2 mine at the Pittsburgh Coal Company at Arnold City this morning at 9 o'clock. The body was taken to his home and the deputy coroner notified. Correll and Crowley, undertakers, will have charge of the funeral arrangements. The young man was married by his mother and had a sweetheart. He was unmarried when he was killed. The cause of the fall is being investigated.

The "Sunny South" Showboat is at the Second street landing tonight. The company is well known here, and will no doubt draw a large crowd.

Stewart McKean left this afternoon for Washington, where he will visit George Barnett until last evening.

DRAWS OUT OF THE MEET

Monongahela People Say They Cannot Prepare For May 15.

TWO TOWNS INTERESTED

Advertising matter is being distributed today for the Valley High School field meet to be held at Cook's track near Belle Vernon on May 15. In this Monessen and Charleroi will take part, Monongahela having withdrawn.

Prof. Dean of Monongahela, who was in charge of the arrangements in behalf of that school, was communicated with last night after the window cards had been printed, and rendered his final decision, stating that if the meet was to be held on the 15th the track team of Monongahela could not be in condition. This was offered despite the fact that the date, 15th, was selected several weeks ago, and there has been plenty of time to get ready.

The withdrawal of Monongahela will not in the least interfere with the preparations for the meet, and it will be held regardless of them. The Charleroi team was out at the track yesterday and did good work. It is thought that they will make a good showing this year and give Monessen a good run for first honors.

HARMONY EXISTS NOW IN FAYETTE

Senator Crow Assured of Re-Election by Keeping Out of Judgeship Fight.

According to Chester D. Potter, political editor of the Pittsburgh Dispatch, a political truce has been declared between the warring Republican factions of Fayette county, and that during the next two years, at least, there will be one conflict such as characterized the last judicial fight, which was both costly and demoralizing. By the terms of the treaty of peace Judge R. E. Umbel, Democrat, will be permitted to succeed himself, and Senator Crow will have no opposition when he comes up for re-election to the State Senate next year.

Before the harmony deal was effected a big fight was shaping up. Senator Crow wanted former Judge Reppert, Republican, to succeed Judge Umbel, Democrat, whose successor will be elected in November. J. V. Thompson was also classified as a supporter of Reppert. Congressman Cooper and Judge J. Q. Van Swearingen, who by defeating Reppert for the nomination last year, became his successor on the bench, were, it is claimed, interested in the re-election of Judge Umbel.

Senator Crow, who has been elected president pro tem of the Senate of 1911 must be re-elected next year. The Cooper faction it is said, served notice on Crow that they would fight him unless he dropped Reppert and backed Umbel.

Republican State leaders, in order to relieve Senator Crow of a fight tendered him the nomination for Auditor General. He took the matter under advisement. Mean time some one "higher up" tried to harmonize the factions. The effort was successful.

Senator Crow has not accepted the State position, being assured he will not be opposed for re-election next year. Judge Umbel also will succeed himself without having more than perfunctory opposition.

Former Judge Reppert will not be a candidate for obvious reasons. And peace again reigns in "Old Fiat."

MOTHERS' DAY TOMORROW

Charleroi Churches and People to Observe the Holiday.

CARNATION THE FLOWER

Wear a white carnation tomorrow in honor of "The Best Mother on Earth"—your own. Last year, Christ Lutheran church was the first to recognize and observe the day, and accordingly will do so tomorrow. The object is to brighten the lives of mothers and to make them more honored, loved and protected by their children. The white carnation is the "mother flower" because it may be thought to typify some of the virtues of motherhood. Its whiteness stands for purity; its lasting qualities, faithfulness; its form, beauty; its fragrance, love; its wide field of growth, charity. If separated from your mother, write her a "love letter." If she be not living, bless the life of some other good mother, in memory of her. Tomorrow should be the Carnation day in Charleroi, when every person will be seen wearing one for "My Mother."

Affairs Are in an Uncertain Condition at Black Diamond.

MUST SETTLE AT ONCE

Six Arrested and Will be Given A Hearing This Evening.

Contentions over a checkweighman at the Black Diamond mines culminated in the arrest this morning of the above named official, John Snowball, and six others, all foreigners. They will be given hearing tonight before Alderman Day at Monongahela. It is said that they tried to keep two miners from entering the pit yesterday morning.

At the last election Snowball was chosen to the position by a very small majority. It is stated conditions have become such that the mine owners threaten that unless affairs are settled at once in some manner, they will close down the mines.

Snowball will remain where he is, it is stated, until something is done. Yesterday morning he is charged with preventing John Frederick and Morris Lidele from going to work and it is this that caused the charge to be brought against him.

Deputy Sheriff Bert Lutton of Washington was in Charleroi a short time on business this morning.

Mrs. Mary Tate left Charleroi last evening for Liverpool, England, where she will spend a few months visiting friends and relatives.

Mothers' Day.

Once again the Mail calls attention to an anniversary day, which though not yet generally observed, is nevertheless fraught with the deepest of sentiment and reverence. This is Mother's Day, for the observance of which the second Sunday in May has been set apart. This date is tomorrow, and the symbol of its observance is the wearing of a white carnation, or other white flower.

The observance of this day is purely a matter of sentiment, but it is a beautiful one, and can be made the occasion of much quiet happiness. Those who have wandered away from the home fireside should remember their mothers by some form or token. A letter, a message, a box of flowers, or better still, a visit when this is possible, will go a long way toward making brighter the declining years of the one "back home" whose life is now chiefly lived in the past. Those who observe the day in deed as well as in spirit will have no regrets later on.

Political Exigencies.

The reports of a harmony deal in "Old Fiat" between the warring Republican factions will bring about a most desirable condition of affairs if it materializes as planned. This is to the effect that Judge Umbel will not be fought for a re-election this year. Judge Umbel is a Democrat in politics, and although a jurist of high standing, plans were on foot to defeat his re-election. Now it is stated an agreement has been reached among the politicians to withdraw this opposition in the interests of good public policy as well as the exigencies of politics.

While the recognition of good public policy is a trifle tardy on the part of "Old Fiat," it is none the less commendable. The judiciary, above all public departments, should be kept clear of partisan politics. This is becoming generally recognized, and when the bench is as acceptably filled as it has been on the part of Judge

Umbel, there is no reason for making a change. There is no question but what political exigencies prompted the action rather than interest in the public service, but its effect will be none the less beneficial. Present experiences in Fayette show that it may be dangerous to the politicians to involve the county in another judicial fight.

Electric Sparks

What's to become of the automobile business if the people have to mortgage their homes to buy bread? What's the use of all this tariff chatter about stockings being higher? As they are now you can't see the tops of 'em. Commenting on the graft sentence, a Pittsburg paper arises to remark: "The way of the transgressor leads to the same old destination," doubtless meaning the Supreme Court.

A short time ago they found the lockup in bad sanitary condition, and now they have discovered that there is need of a separate compartment for the women and children. My! those fellows have Christopher Columbus beat a mile for learning new things, don't they?

The field meet matters are in an unsettled condition at that, although Monongahela had kindly consented to drop out. For instance, Monessen might get mad, and quit.

And they say we are going to have another Marathon Race. With that, the High School field meet, Decoration Day, to say nothing of half a dozen or more other attractions, and the ball games, Charleroi will come pretty nearly eclipsing any record that ever was made here for May.

California.

Tomorrow will be observed by the local Presbyterian church as Mother's Day. Special services have been arranged in the morning. In the evening the pastor will observe the same date as Labor Day, and will preach a sermon appropriate for the occasion. A children's choir will sing at both services.

A meeting has been called for next Monday evening at C. H. Drum's office for the purpose of organizing a baseball club. Jas. W. Edwards is heading the movement.

Byron W. King, president of King's School of Oratory in Pittsburg will give one of his famous entertainments in the Christian church Monday evening, May 17.

The young ladies of the Coal Centre Presbyterian church will give "The Spinsters' Return" in Odd Fellows' Hall May 15. This is a sequel to the "The Spinsters' Convention" given by the same company some time ago.

The school board of East Pike Run township has practically decided to erect a new school building to take the place of the Republican school house which is too small for the requirements. Two sites have been optioned in the borough.

It is probable that an aerie of the Fraternal Order of Eagles will be organized in California soon. W. H. Sharah, a State deputy organizer, was in town this week looking after the matter.

John W. Vance and Chauncy Duval have bought the Fred Speers hardware store from W. S. Shapless, trustee in bankruptcy. The store will be in charge of Mr. Vance, who has been a salesman in the hardware store of J. H. Bowers of Charleroi for some time, and is thoroughly conversant with the business.

Adrian, Ga.—"I suffered untold misery from a female weakness and disease, and I could not stand more than a minute at a time. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 3, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

Second Week of My Great Discount Sale of High Grade Pianos

If my special sale of pianos keeps up throughout the entire month, as well as it started off, then the object of this sale will have been more than accomplished, which is, to sell my large stock down to a minimum, to avoid carrying a large stock over the summer months.

The people have responded quickly to my announcements of last week, for this season. They realize that this is not a sale of a lot of worthless instruments, brought here with the purpose of making a "big hurrah" sale. They realize that I am no stranger among them—here today and gone tomorrow when I have gotten their money. The best pianos that money can buy are included in this sale.

Several Fine Mathusheks are Included

And if there is a piano that will give more years of downright service, if there is a piano that will stay in tune longer; if there is a piano that will cost less for repairs, I do not know of it and it is not known to piano men generally.

To reduce my stock, or throughout the entire month of May, I will sell these unexcelled instruments at One Hundred Dollars less than their regular price and actual worth.

LITTLE GIRL DIES FROM BURNS

Webster Child Succumbs to Injuries at the Monessen General Hospital.

From the result of burns received while playing with fire at Webster Thursday, Adda Arigoni, aged 2 years, daughter of Oresta Arigoni, died at the Monessen General Hospital yesterday. The funeral was held this morning. The interment was in the Calvary cemetery, Charleston.

Other girls were playing near when Adda's dress caught fire, but they were frightened and ran. The mother attracted by the child's screams came too late. The little girl was taken to the hospital, but there was no chance for recovery.

MINSTRELS ENJOYED

(Continued from First Page.) well," a vaudeville turn by Michener and Richards, was also exceedingly clever.

The "Scotch Lassie Dance," by eight girls in Highland costume, was a very pretty and gracefully executed number. "Kiss, Kiss, Kiss," George Cohn's latest song, presented by Michener and Richards, was another feature that captivated the audience. This team was assisted by the "Pinks of Perfection," ten young ladies in natty pink costumes. "Fame," by Master Nicholson, assisted by the "Doraofra Quartet," also made a ten strike.

Great credit is due Prof. F. A. McCloskey and his talented wife for the careful training and direction of the performers. Prof. McCloskey is an old time minstrel man, having been a member of the celebrated Carncross company at Philadelphia, and later with Barlow, Wilson, Primrose and West. An accident cut short his stage career, and since that time he has achieved eminent success as a director of entertainments. The L. O. T. M. is also to be congratulated on the splendid success of their entertainment, as well as the members of the company for their proficiency.

As previously stated, the entertainment is repeated in Turner Hall, tonight, and all who invest in a ticket will get more than value received.
